Urban Transportation Trends in Asia, Africa, and Latin America and Bus Rapid Transit (BRT)

Paulo Custódio, one of the original planners for Colombia’s TransMilenio BRT system who has helped revolutionize transportation planning, will talk about his experiences in Latin America, Asia and Africa and the role of bus rapid transit today.

Mr. Custódio has over 30 years’ experience working on urban and regional transportation planning and is currently working in China, Tanzania, and Mexico. Now in private practice, Mr. Custódio founded in 1989 Logit Consultoria, one of the most respected transportation planning organizations in Brazil.
